

CLASSIFIED AD ORDER FORM

Classified Ads for GMC Motorhome International members appear as a separate slip sheet in Quarterly Newsletter mailings. The ads all have the same type of print and are the same physical size. The ad sheets are intended to be a handy reference source for members to find goods and services. All GMC Motorhomes International members are allowed one free ad per quarter. Members who want to appear in more than one category will prepay \$20.00 per ad per time after the first free ad. This page should be copied for additional categories of ads.

All ads have a Header Line (Description), three Content Lines of approximately 45 spaces each and a Contact Line (Name, State & Telephone) for a total of five lines. Four rows of boxes are shown below for the Content Lines to allow sufficient fill-in space; this is equivalent to three lines in the actual ad. Each box represents a number, letter, or space. GMC Motorhomes International reserves the right to refuse any ad and to edit an ad. GMC Motorhomes International does not endorse any item or service listed nor does it guarantee the accuracy of any information in an ad. GMC Motorhomes International will not be involved in any financial details between parties and will not assume any liability for ad mistakes or omissions other than to rerun the ad.

There are five categories as shown below. Motorhomes for Sale will be listed alphabetical by model year. One motorhome picture (4" x 6") can be submitted with this form. New Parts for Sale, Used Parts for Sale and Wanted categories each have items listed randomly. Service Facilities are listed alphabetically by the State, then by the City where the repair facility is located. All ads must be submitted in writing, telephone ads will not be accepted. Newsletter mailings are made in January, April, July and October. Ads must be postmarked by the 20th of the month preceding the above Newsletter mailings.
