Hughes Motor Coach

Announcing the all new 26 foot GMC by Hughes Motor Coach—it's here, the all new luxurious HUGHES/GMC coach.

After selling hundreds of motor homes—most to experienced users—we have accumulated a wealth of information about the features that constitute a good motor home. We have used this knowledge in developing the new HUGHES/GMC coach.

The standard coach includes 10 cubic foot gas electric fridge, 4000 watt generator, automotive air conditioning, cruise control, AM/FM Stereo radio with tape, roof air conditioning and much more. Some of the usefull options include rear automotive heater, microwave oven, roof rack and ladder, roof top storage pod, sun roof, drivers overhead control console, we can even offer interior and exterior colour schemes to suit the customers individual taste.

Nobody should buy a medium or luxury priced motor home until they have seen and driven the HUGHES/GMC coach available in mid or rear bathroom floor plans.

26'
