## Floor Plans

This section contains all the floor plans that are available for the MotorHomes. Since the floor plans consist of individual modules, a description of each is furnished to help you with the customer in making a proper selection. Each floor plan and selection of module has certain advantages for different size family groups and different basic usages that the MotorHome might be subjected to.

Photographs will be incorporated in this section and new pages will be furnished to you by March 1.

## **Double Dinette - Right Side**

Available in floor plans 26-1 BQH, 26-2 BQJ, 26-3 BQK, 26-4 BQL, 26-5 BQM, 26-6 BQN, 26-7 BRE, 26-8 BQP, 26-9 BQQ.

The double dinette mounted on the right side of the vehicle on 26' models offers convenient seating for four adults. It serves as the dining area as well as a comfortable traveling position. In the evening, it serves as an entertainment center. For sleeping, it easily is converted into a double bed.

## **Double Dinette - Left Side**

Available in floor plans 23-1 BQT, 23-2 BQU and 23-3 BQV.

The double dinette mounted on the left side of the vehicle on 23' models offers convenient seating for four adults. It serves as the dining area as well as a comfortable traveling position. In the evening, it serves as an entertainment center. For sleeping, it easily is converted into a double bed.

## **Davo - Left Side**

Available in floor plans 26-1 BQH, 26-2 BQJ, 26-3 BQK, 26-10 BQR and 23-4 BQW.

The left hand davo offers seating for three adults. It also serves part of the entertainment center for those leisure hours. At night, it converts to upper and lower bunks for individual sleeping comfort.

## **Auxiliary Dinette - Left Side**

Available in floor plans 26-4 BQL, 26-5 BQM, 26-6 BQN.

Designed to complement the double dinette, the single dinette on the left side of the motorhome offers additional space for serving meals or entertaining. At night, it converts to a single bed.

## **Swivel Chair - Left Side**

Available in floor plans 26-7 BRE, 26-8 BQP, 26-9 BQQ and 26-11 BQS.

For the ultimate in seating comfort, high-backed swivel chairs are available for traveling or entertaining. A specially designed fold-out table is mounted on the wall for use in serving light snacks or beverages.

## **Davo - Right Side**

Available in floor plans 26-10 BQR and 26-11 BQS.

The davo on the right side provides a floor plan resembling twin beds when used with the left davo in 26-10 BQR. It offers comfortable seating for three adults and easily converts into bunk beds for sleeping.

## **Rear Compartment - Double Bed**

Available on floor plans 26-1 BQH, 26-4 BQL, 26-7 BRE, 23-1 BQT.

For the ultimate in sleeping comfort, the full double bed rear module is included. It offers a storage compartment under the bed for those seldom used but necessary items.

## **Rear Compartment - Goucho**

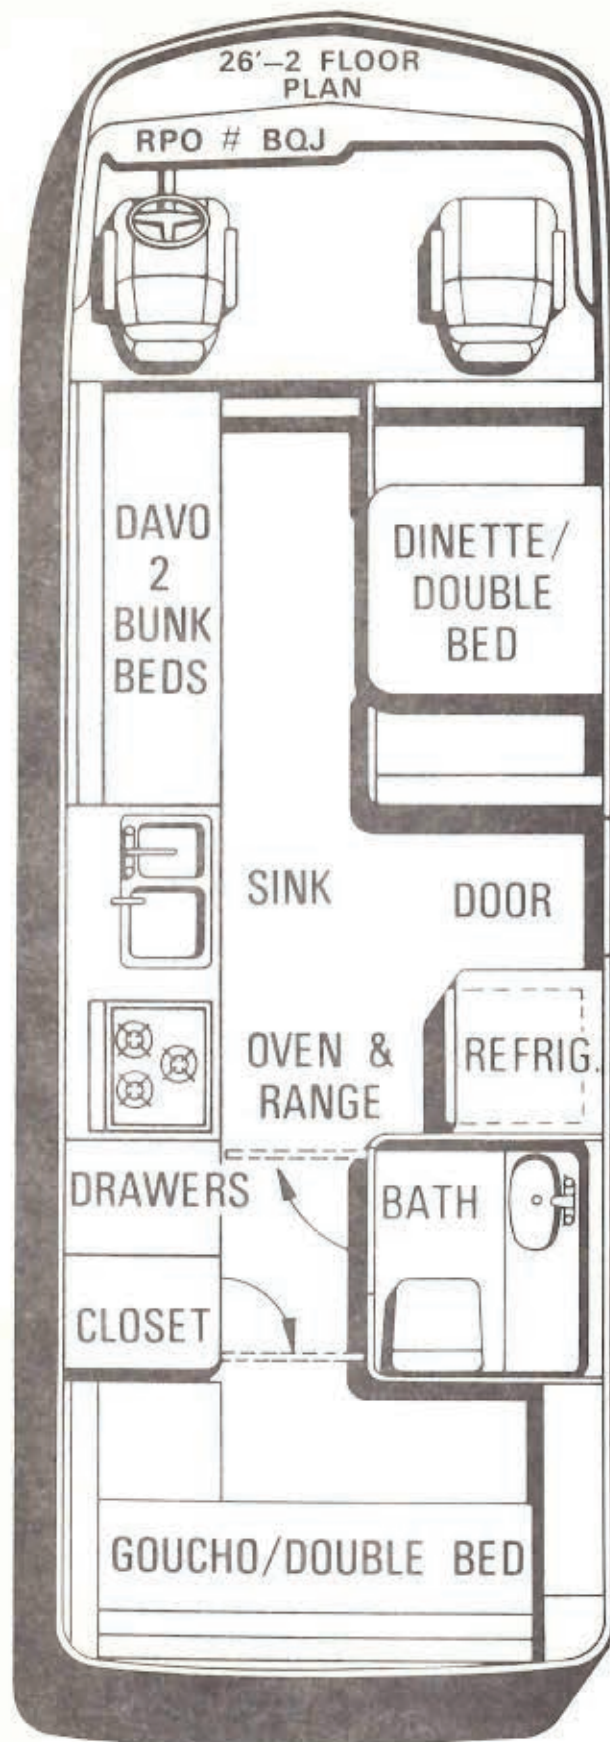

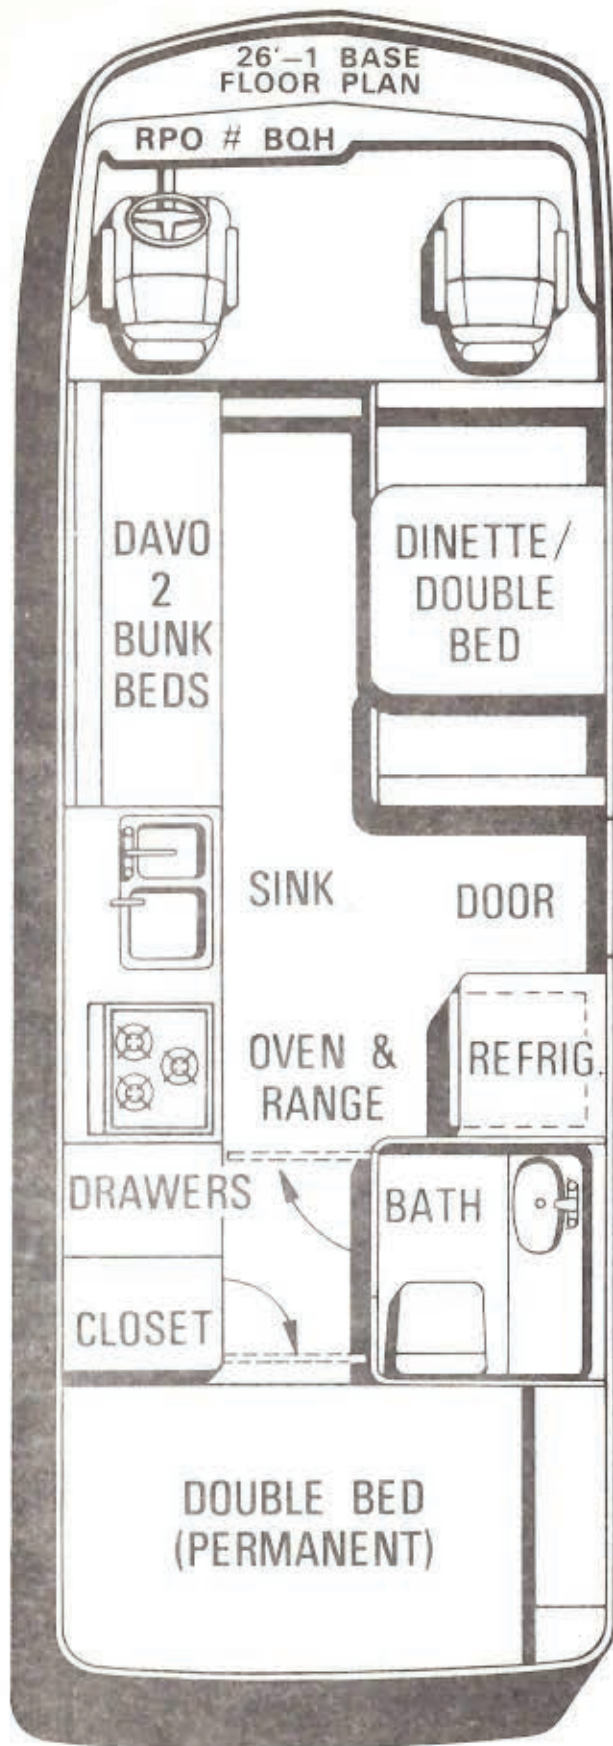

Available in floor plans 26-2 BQJ, 26-5 BQM, 26-8 BQP, and 23-2 BQU.

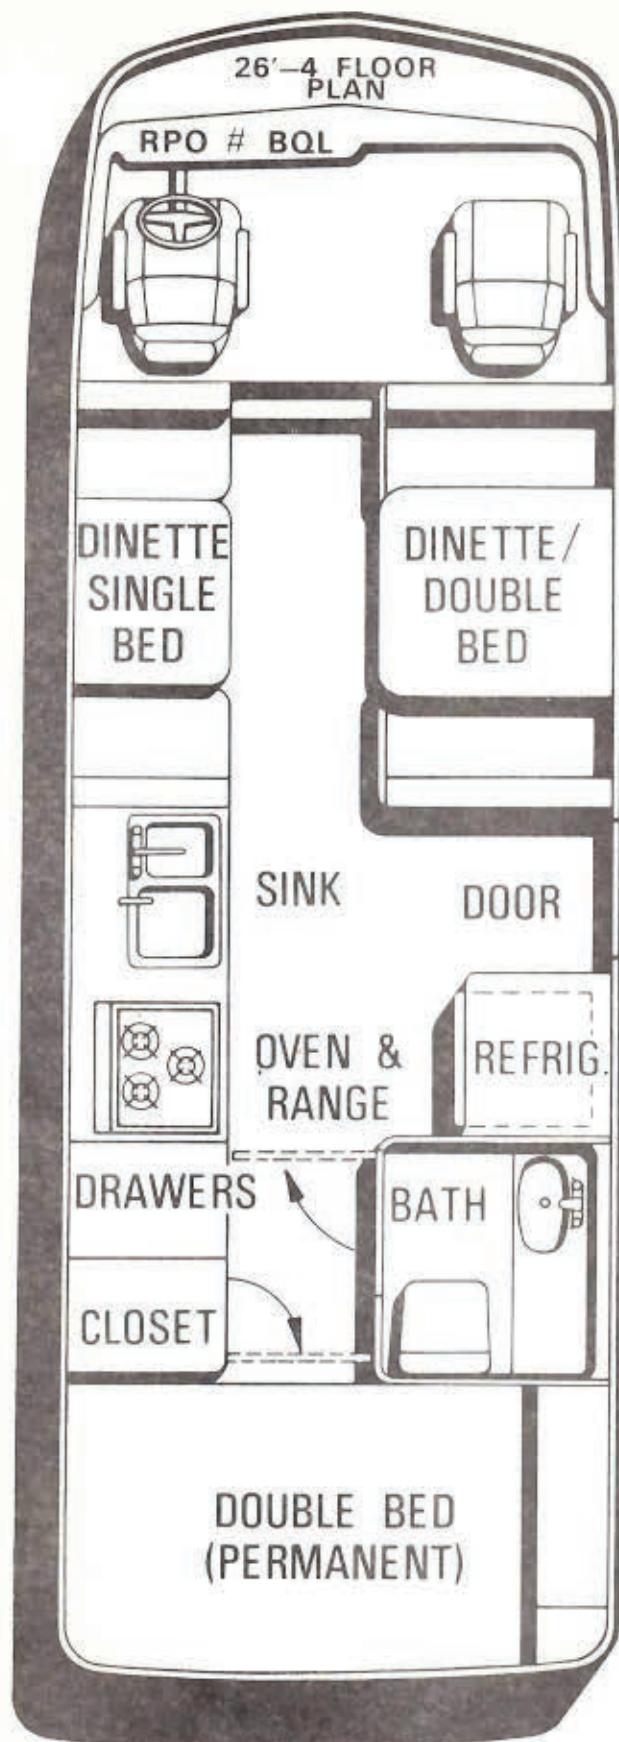

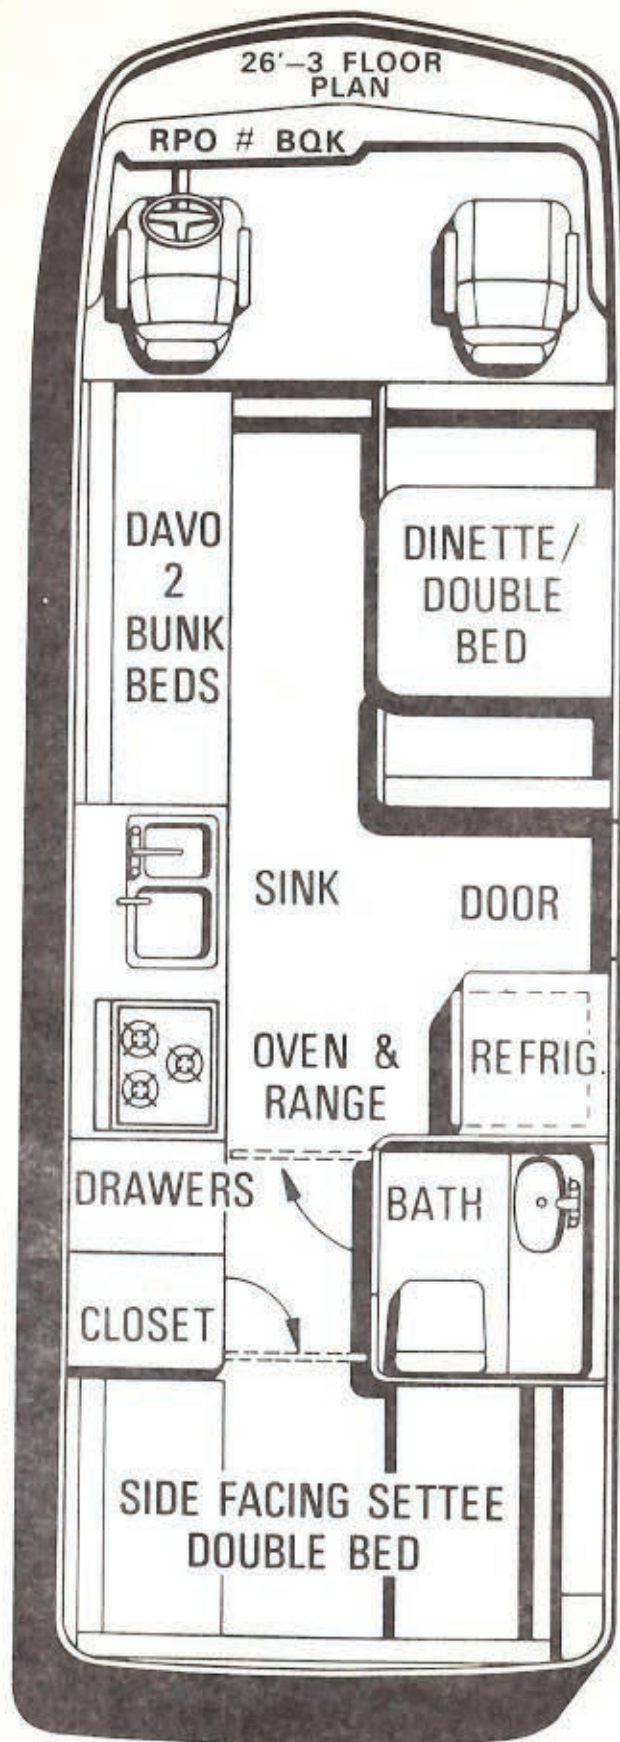

A full width couch called a goucho provides comfortable forward-facing seating for three adults. It quickly converts into a double bed for sleeping. It gives the necessary flexibility for entertaining large groups.

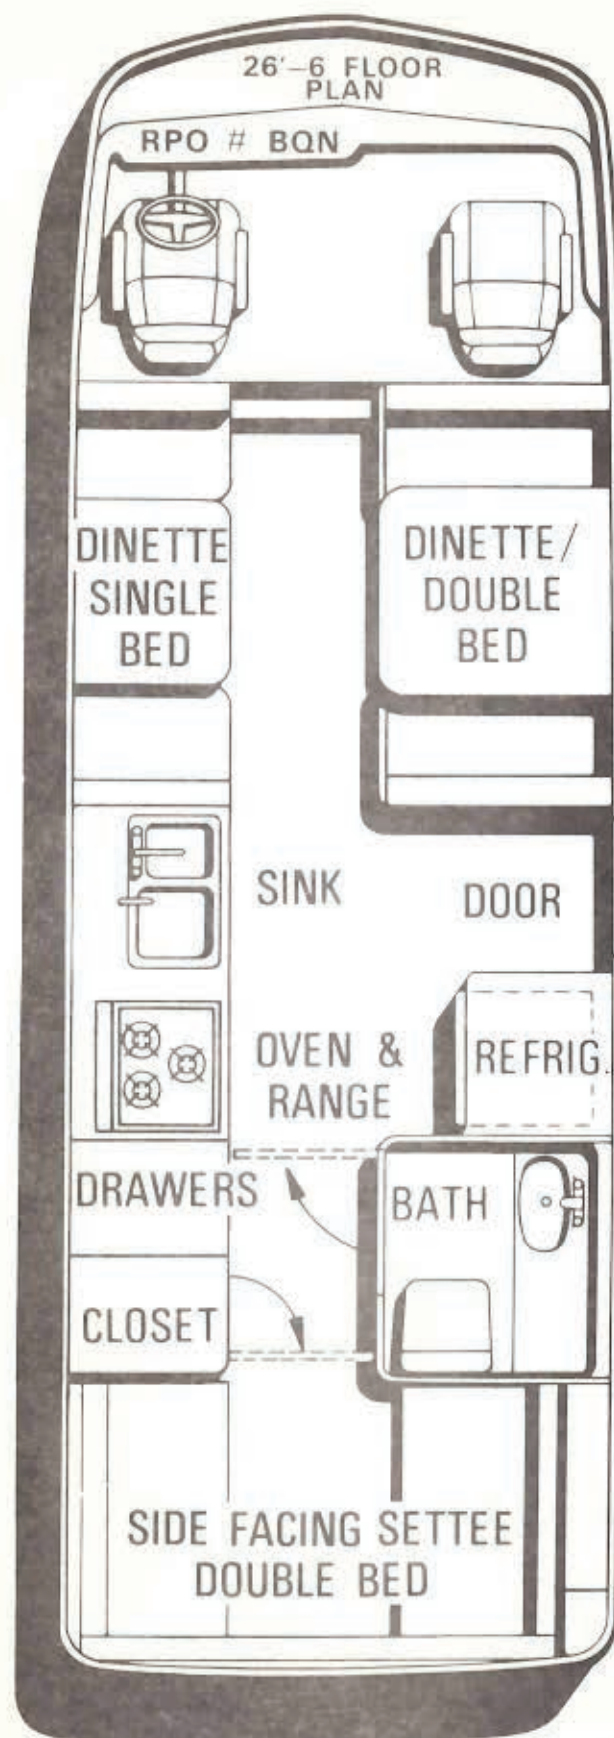

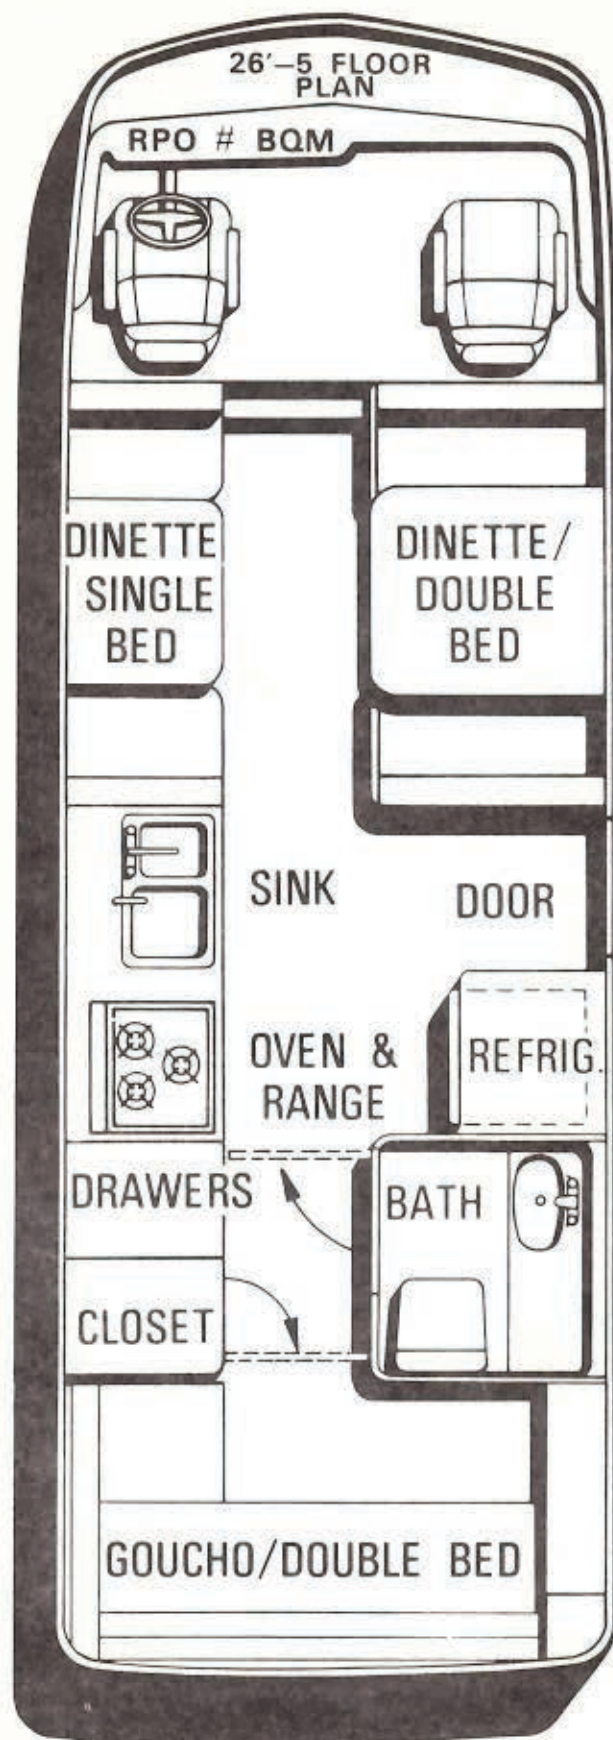

## **Rear Compartment - Side-Facing Settee - Rear Dinette**

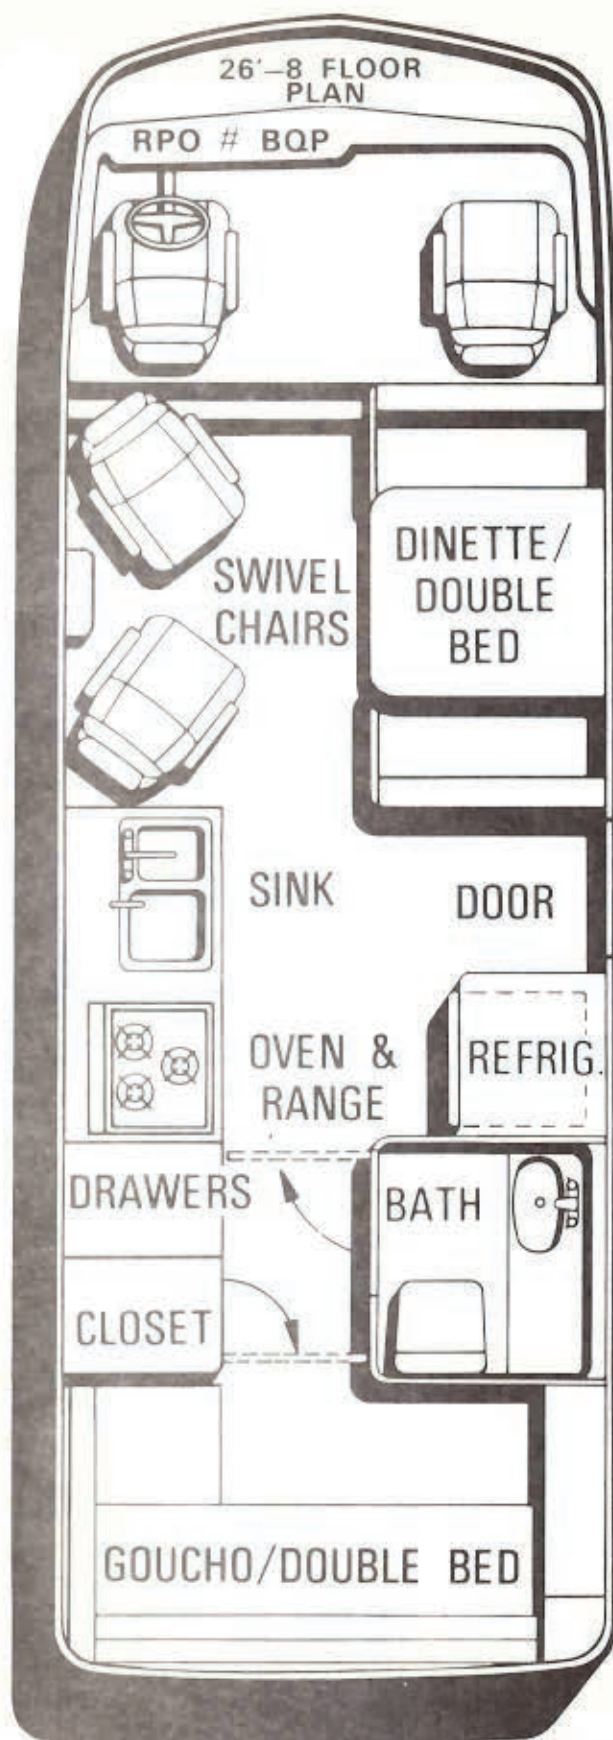

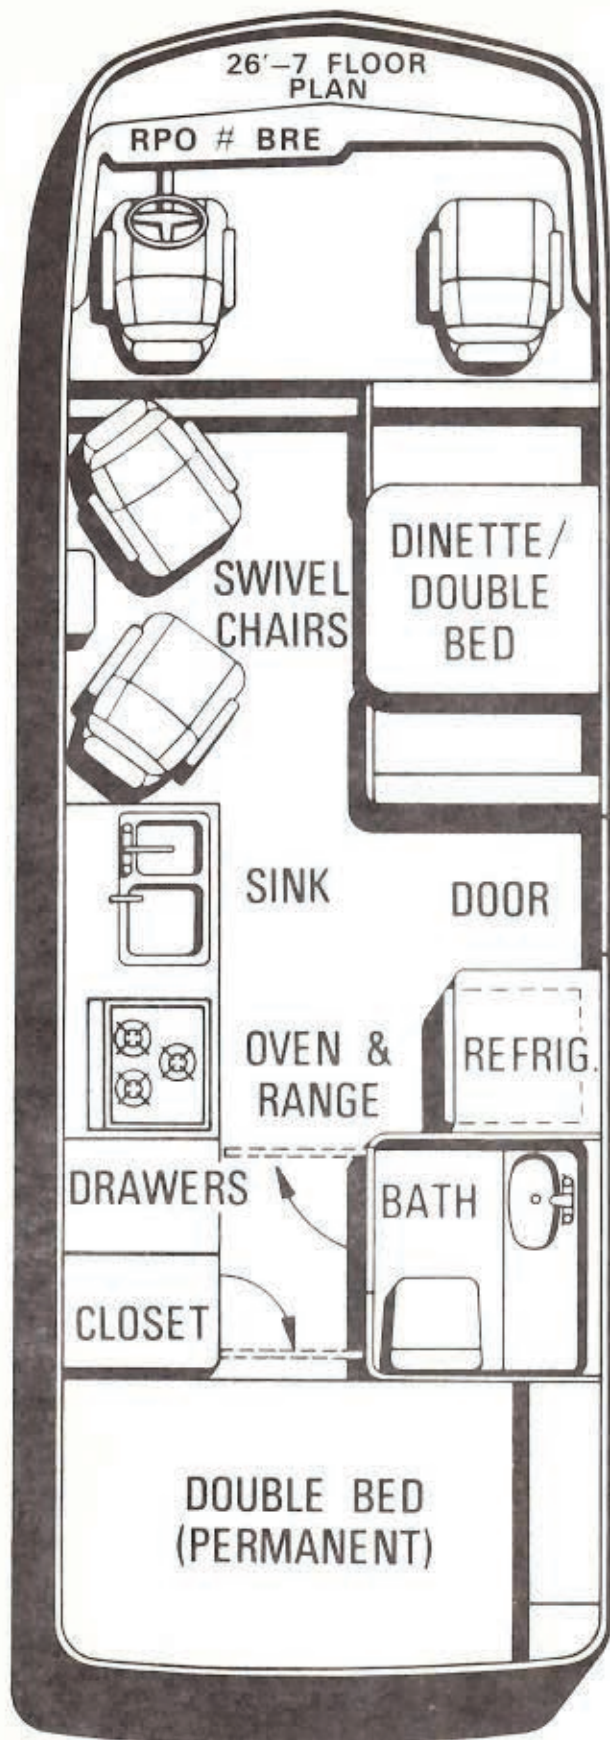

Available in floor plans 26-3 BQK, 26-6 BQN, 26-9 BQQ, 26-10 BQR, 26-11 BQS, 23-3 BQV and 23-4 BQW.

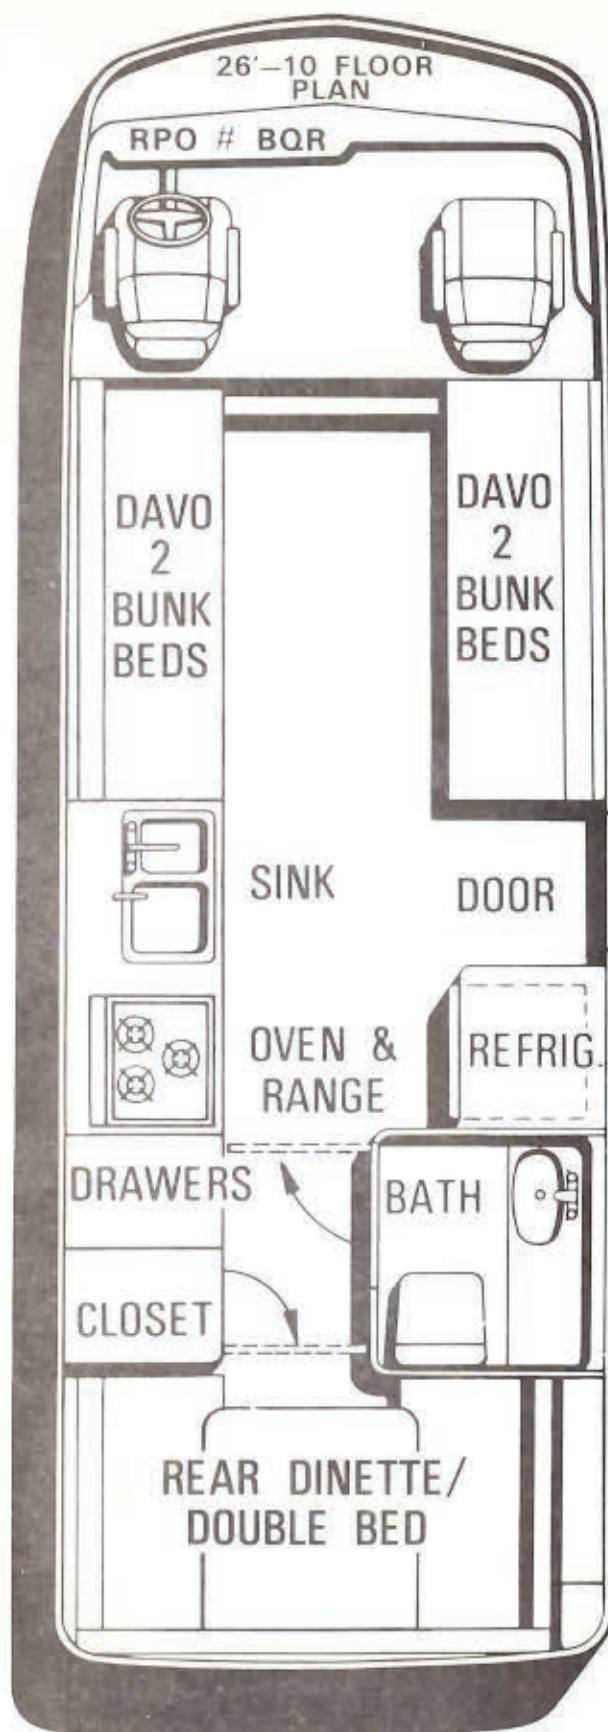

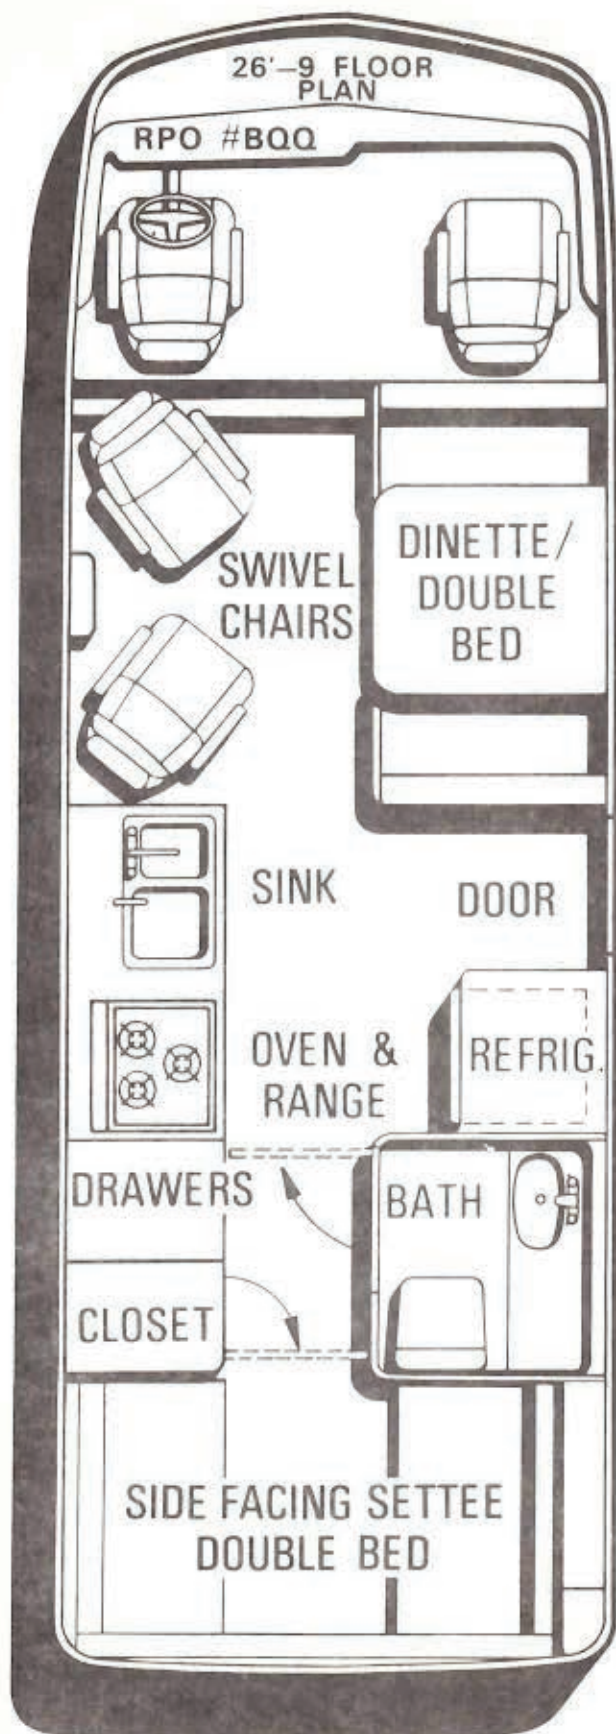

The side-facing settee layout in the rear compartment offers comfortable seating for four adults. When the table is placed between the facing seats, it offers an excellent separate area, especially for children.
